

T&C Postforming would like to announce our first **promotion** with **Parbury Wilsonart**. Choose from a range of 20 popular Wilsonart colors including **High Definition (HD)** and **High Wear Gloss (HWG)** and receive a **10% discount** on the full invoice price.

As one of the world's leading brands, Wilsonart offers **superior quality**, a choice of different surface textures and amazing color coordination. With one of the largest color ranges to choose from, Wilsonart laminates are the essential starting point for any **kitchen, bathroom or office design**. The fabrication of tight radius gives an **exceptional new look** to laminate benchtops not possible in the past.

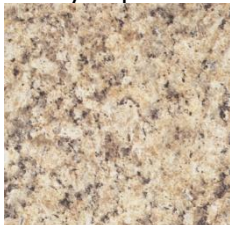

Wilsonart Designer laminate stands for highest quality and has something to offer for everyone – from a stone to timber look and so much more. Visit www.postforming.com.au to view larger color samples or contact us at T&C Postforming anytime with queries, quotes or orders.
